

[Configuring Internet Explorer 5.0](#) [Technical Support](#)

Configuring Internet Explorer 5.0

Double-click **Internet Explorer**.

From the *Tools* menu, select **Internet Options**. Click the **General** tab.

In the *Home page* section, in the *Address* line, type **www.naspa.net**.

Click the **Programs** tab

In the *Messaging* section, in the *Mail* area, click the down arrow and select **Outlook Express**.

In the *Messaging* section, in the *News* area, click the down arrow and select **Outlook Express**. Click **OK**.

If necessary, uncheck *Internet Explorer should check to see whether it is the default browser*, if you do not want Internet Explorer to be your default browser.

Click the *Connection* tab. If necessary in the *Dial up Setting*, click **Naspa (Default)**.

Click **Always dial my default connection**. Click **OK**.
